Residential Water Service Shut-Off/On Request

I, _____, the Owner or Authorized
Name (Please Print)

Agent of the Owner request that the water service at the following vacant residence be terminated.

Property Address

Current Account Number

Owner's Telephone Number

Date Service Should be Terminated/Activated – System Operator will be given a 24 hour notice.

Important Information – Please Read

- I understand that there is a \$25.00 charge for the connect/disconnect service and the System's Operator will be given a 24 hour notice.
- I understand that it is the owner's responsibility to verify that water service has been terminated/activated. The Canaan Water and Sewer Authority is not responsible for damages or water charges if service termination is not accomplished.
- I understand that all water valves on the customer's side of the line should also be closed.
- I understand that any prior charges must be paid and that the penalty and interest will accrue on any unpaid charges.
- I understand that the debt service charge will continue after water service is terminated.
- I understand that, after the water service is terminated, service will not be restored unless the Owner or Owner's Authorized Agent is physically present at the time of service restoration.

The undersigned Owner or Authorized Agent on behalf of the property owner hereby releases The Canaan Water and Sewer Authority, including it offices, employees and agents from any and all liability related to the termination of water service, the failure to terminate water service or the restoration of water service at the address shown above.
