

Canaan Transfer Station

Wednesday 8:00 A.M. to 1:00 P.M.

Friday 12:00 P.M. to 4:00 P.M.

Saturday 8:00 A.M. to 1:00 P.M.

Contact the Transfer Station Attendant(s) if you have any questions about what goes in what container or what can be recycled. The metal, construction debris, tire, and electronic containers can not to be used until you see the site operator. This is to make sure the proper containers are used, and the appropriate fees have been paid. We could incur extra charges at the landfills if we do not comply with their requirements.

*This list is not exhaustive if you do not know where to dispose of an item, ask the Transfer Station attendant(s) for guidance.

*The above costs can be reduced if you remove all metals and covering materials. The clean wood can go to the stump dump and the metal can go into the metal container and there would be no charge to dispose of these two waste materials. The cloth and filler material can go in the regular trash using a Town bag. The above fee charges are to cover the cost if the operator must strip the items of clean wood and metal. These materials are not allowed in the construction debris container.

For more information review the Canaan Transfer Station A-Z Disposal Guide, found at the Town Office or our website canaan-vt.org. If you have any questions about where to dispose of an item or if you can ask the Transfer Station attendant(s).

Electronics – Storage Container:

The Canaan Transfer Station is a Vermont E-Waste Recycling Program collection site. E-Vermont's new electronic law bans the disposal of electronic waste in landfills. The State provides collection of certain electronics and provides for the disposal. There are flyers available at the transfer station for more information on the proper disposal of electronics and protecting your personal data. Here is a few of the common items recycled at no charge.

- Desktop Computer Towers
- Gaming Consoles
- Laptops
- Monitors
- Printers
- Televisions

Household Trash – Closed Container with the Compactor

- All household wastes. This waste stream must have an approved Town Trash Sticker Attached. One sticker is good for a 13–20-gallon bag. Cost of Town Stickers: \$0.50 per sticker. \$25.00 per roll of 50 Stickers.
- Bags can be purchased at: Town Office and Transfer Station.

Lead acid batteries / No charge.

We recommend that you return your old battery when you purchase a new battery. Most retail locations selling lead acid batteries will take the old battery back, as they have their own recycling program. In many cases you will receive a credit off from your new battery.

Metal Container:

- This container is for metals only. There is no charge to use this container.
- All appliances except for air conditioners, freezers, and refrigerators.
- All motors will need the fluids removed.

Tires

Disposal Fees:

- Up to 20” \$5.00
- 20” to 24” \$10.00

*All rims must be removed and placed in the metal container

*No skidder tires accepted
