Patricia Grover is aware about the Heart and Soul team having a float in the parade. She is very happy that we will be participating.

Diana has contacted the Colebrook Copy Center for quotes for two banners they are 17 X 22 for the side panels of the truck. The cost was \$10 each. These banners will display the Heart and Soul logo, and the Heart and Soul large banner will be displayed on the back of the truck. Cost will be covered by the Heart and Soul budget.

Diana will contact Renee about the Key Club participating, it was decided that they could handout candy and balloons, and dress up as ghost and take pictures for facebook. Frankie will provide the music and dress up as a ghost and Greg will handle the decorating of the truck. Supplies needed will be purchased and cost covered by the Heart and Soul budget. Anyone participating can meet at the Coos County Nursing Home on August 5th, time will be discussed at the next meeting.

Greg suggested that the Heart and Soul members should contact several local business to ask if they would like to participate by offering a discounted coupon to be handed out during the parade by one of our Heart and Soul team members and the members present approved. An example would be a free Ice Cream at Two Scoops. These coupons would be handed to random selected adults attending the parade.
